SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Applicant submits the references listed on the attached form PTO-1449. A copy of a communication from a foreign patent office in a counterpart application is also enclosed. Under 35 U.S.C. § 120, this application relies on the earlier filing date of application serial number 09/626,677, filed on July 27, 2000. The references listed on the attached PTO 1449 were submitted to the Office in the prior application and, therefore, are not provided in this application.

Submission of this statement is not a representation that a search has been made, nor is information included in this statement an admission that the information is material

to patentability.

This statement is being filed before a first Office action on the merits and each item of information contained in this statement was first cited in a communication from a foreign patent office in a counterpart foreign application, dated January 15, 2002, which is not more than three months prior to the filing of this statement. Please apply any charges or credits to Deposit Account No. 03-2095.

Respectfully submitted,

Date: Jan 29 200
